*Protecting your skin from the sun is the key to maintaining a healthy, youthful appearance. Age spots, fine lines, wrinkles, and uneven skin tone are a result of both age and sun exposure. However, there are plenty of excellent products on the market to help fight the damaging effects of the sun, air pollution and aging. A man can sustain a youthful look by using some the products listed below.*

GIORGIO ARMANI Skin Minerals for Men is a new skincare line that is both easy to use and offers unparalleled performance. The products include Cleanser, Shaving Cream, Fortifying Serum and Eye Master and sell for \$25 to \$50 each. [www.giorgioarmanibeauty.com](http://www.giorgioarmanibeauty.com)

Attitude Extreme cologne by GIORGIO ARMANI, is a tribute to extreme masculinity. Captivating, sensual, powerful and intense, base notes include smooth, woody ambergris and mysterious, enveloping Indonesian Patchouli. The 1.7 fl. oz eau de toilette has a suggested retail price of \$59.50. [www.giorgioarmanibeauty.com](http://www.giorgioarmanibeauty.com)

CLARINSMEN has five new products in the men's portfolio that will help you look good and feel great all summer long. Revitalizing Gel, a light, refreshing gel that tones skin, boosts vitality and firms facial contours, anchors the line. Anti-Fatigue Eye Serum, Line-Control Balm, Line Control Cream, and Line Control Eye Balm complete the set. The products retail for \$29 to \$52. [www.us.clarins.com](http://www.us.clarins.com)

PROACTIV SOLUTION, the leader in acne skincare, has introduced two new must have double-duty acne-fighting products. The Proactiv Clear Purifying Mask, a lightweight mask whose key ingredient, sulfur, is the perfect treatment for stress-induced breakouts. The Medicated Blemish Stick, available in four shades, is an anti-acne concealer specially formulated with salicylic acid to treat and cover up blemishes. [www.proactiv.com](http://www.proactiv.com)
