

WHAT'S NEW

by Naila Chbib

At Social Life Magazine, we do not forget men. Here is a great selection of high-end luxury items – from special limited edition watches, to shaving products and men's ready-to-wear.

ROYAL OAK OFFSHORE MONTAUK HIGHWAY

Audemars Piguet celebrates the long days of summer with the special edition Royal Oak offshore Montauk Highway timepiece. Produced in a limited edition of 300 numbered pieces, this exclusive watch can be found at Audemars Piguet boutiques in New York and Bal Harbour as well as London Jewelers. The Royal Oak Offshore Montauk Highway, with chocolate brown counters set against an off-white Méga Tapisserie guilloché pattern, reflects the aqua blue sky and sea in its numbers, second hand, counter pointers and tachymeter scale. Delighting in the special details, Audemars Piguet offers a brown “Hornback” crocodile strap with stainless steel AP folding clasp and aqua stitching on the strap, completing the visual harmony.

*Available at London Jewelers:
2 Main Street, East Hampton
47 Main Street, Southampton*

HERMÈS BOUTIQUE

The French House of Hermès has just opened its first seasonal store in East Hampton dedicated to resort and summer. The 2,000 square foot boutique showcases a variety of luxury products for the summer – from accessories to home. A great choice of Pareos, bathing suits, ready-to-wear, handbags, beach towels, riding gear and a one-of-a-kind white leather saddle.

*63 Main Street, East Hampton

THE ART OF SHAVING

An elegant Italian interpretation of the art of shaving dedicated to the modern man. The brand is devoted to the very best in men's skin care and optimal shaving performance. Attentive to personal care and wellbeing, the collection has a range of exclusive and innovative shaving essentials characterized by an elegant design. The Fusion Chrome Collection shaving set is an exceptional blend of style and performance, handcrafted in polished chrome, sleek and contemporary. Razor and shaving brush handles—perfectly balanced, with a micro-textured grip surface—are an ideal combination of ergonomics and innovative design.

*Available at Bloomingdale's New York
