

Summer is almost at its end. Soon the longest days of the year will give way to Fashion Week and colorful foliage. But before the pleated tunics, jewel-toned cage shoes, and oversized white sunglasses are tucked away, one of the most enjoyable things to do is look back at this incredible season.

Social Life kicked off the summer on the East End with a Sergio Rossi-hosted dinner to celebrate rock progeny cover girl Alexandra Richards. Sports Illustrated hottie Jessica Hart simply sizzled on our June swimsuit issue. Then in July, a scene of true love seemed to blossom between Kellan Lutz and Lydia Hearst. Later that month, we felt swept away by the iconic beauty of R&B superstar Ciara channeling Josephine Baker. Now it's August and I almost wish I could live it all over again. I want to thank the amazing creative team that has made this year possible - from Justin Mitchell's determination, Alexis Dahan's uncompromising photography, Naila Chbib's lovely eye for texture, Tre Knight's visionary choices, Chris London's acerbic wit, Kristian Laliberte's social-butterflying, Carol Han's angelic sweetness, Couri Hay's exuberance, Norah Lawlor's army of girls at the door, Patrick McMullan's simple perfection, the entire Guest of a Guest family, Kimberly McDonald's flawless beauty section, Sharon Roth's enchanting wedding coverage, and many others. I am so pleased that every year we grow bigger, better, and stronger.

Enjoy this issue and the remaining days of summer! As always, we at Social Life aim to interest and intrigue, to captivate and create.

# ROYAL COURT

Humans are naturally aesthetic beings. We are drawn to pleasant faces, sweet smiles, and upon meeting people we often can't help but notice their garb. The members of this month's

Royal Court are simply never satisfied with throwing on a plain white T and jeans. They remind us that dressing is an art form, and their attire the art.
